Commit	4702782 · Sakshi Jindal · Added configuration related to Reporting labs in YAML file
Branch	main

Test analytics

Outcomes by priority

Stacked pass / fail / flaky / skipped for each priority tier.

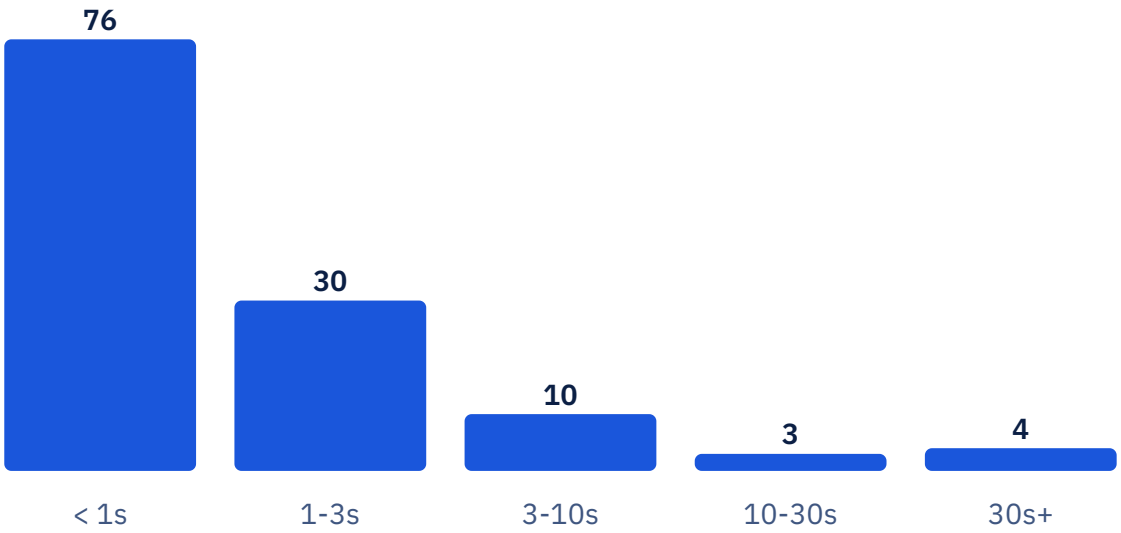

Failure categories

What kinds of failures are hurting the suite.

Duration distribution

How the durations of the tests that ran are spread.

Pass rate trend by priority

How each priority tier trends over the last runs.

Owner leaderboard

Failures and flakes ranked by owner. Add meta({owner:...}) to see this.

Failure analysis

4 failed or flaky · 4 new since Oct 18

Failure clusters 1 distinct error

4 tests

Test timed out The whole test took longer than 60s.

`Test timeout of 60000ms exceeded.`
